MVPCompanion

FROM IDEA TO MVP

Idea Brief Template

Stage 1 · Idea

WORKSHEET GUIDANCE

Capture the original idea and motivation before polishing or committing to a solution.

Idea in one sentence

Trigger / origin of the idea

Who might experience the need? (provisional)

Expected user outcome or benefit

What do we currently know? Label evidence (E)

What are we assuming? Label hypotheses (H)

Biggest uncertainties / open questions (O)

Initial success signal: what would make this worth pursuing?

Idea Brief Template

Stage 1 · Idea

WORKSHEET GUIDANCE

Capture the original idea and motivation before polishing or committing to a solution.

CONTINUED · E = Evidence | H = Hypothesis | D = Derived | O = Open question

Initial product hypothesis (keep it provisional)

Alternative explanations or existing ways to solve this

First validation action: what could we do before building?

Decision / next step
