# Primary User Profile

Stage 3 · User

**WORKSHEET GUIDANCE**

Choose a primary user segment with a meaningful problem. Keep secondary users and non-targets explicit.

**Primary user / segment (not “everyone”)**

**Situation, context, responsibilities and constraints**

**Goals and desired outcomes**

**Current workflow and tools / workarounds**

**Pain points and consequences**

**Why is this a strong initial segment / beachhead?**

# Primary User Profile

Stage 3 · User

WORKSHEET GUIDANCE

Choose a primary user segment with a meaningful problem. Keep secondary users and non-targets explicit.

**CONTINUED · E = Evidence | H = Hypothesis | D = Derived | O = Open question**

**Secondary users (if any) and their role**

**Non-target users for the initial MVP**

**Access: how can you reach and learn from these users?**

**Evidence about users (E) vs assumptions (H)**

**Recruitment / interview questions to validate the profile**

**What would cause you to change this target segment?**
